LOCAL COMMERCIAL.

The Steamship Idado, which arrived early an Sunday morning, brought about 300 tons of freight and 35 passengers. Since her arrival, the date of her departure has been changed, and she will leave this afternoon at four o'clock, taking about 450 time of finight, and 10 or 15 passengers. She could be leaded with much greater despatch, had the Company a warehouse near the steamboat whacf, where all freight destined for her could be housed, and more expeditously put on board. Shippers and passengers will note her schedule of departure to the

The agency of the line has been changed, and Meeres. Hackfeld & Co., who are spents for the San Francisco Refinery, appointed. This change has elicited much comment. The exports of Sugar and Mohases since the 1st of January,

## PER STEAMSHIP IDAHO.

SAN FRANCISCO, Oct. 15, 1867. curred during the evening of October 5, rather The Reciprocity Treaty

closed, on the charge of selling liquor to natives. Approved in Honolulu, has been published in full in This is all right if the proof is sufficient; but report the Bulletin, and I copy a short extract from the

"The list of articles admitted free of duty, though not large, still embraces all the leading ones which enter into the commercial exchanges of the two countries. The treaty is a radical innovation upon the The Lackawanus will leave for Hilo the latter part foreign policy heretofore observed by the United citude concerning its ratification by Congress. Practically, it is free trade, though under the name of MARHHAM & LEWIS reciprocity. A treaty of this sort, though by no the United States and Canada. But the conflicting interests and exasperations engendered by the late civil war, led to its repeal. This Government has never before made such liberal concessions to any stamps can be obtained at the book-store. All letters foreign power as are embraced in the treaty now pending. Its political significance, therefore, may be of more consequence than the commercial interests agents. involved. There will be a natural drawing together and blending of interests of the two countries. This alliance will be so close as to leave little room for third parties to step in and work a severance of interesting matter. Most prominent among the cial reciprocity, and with a history of more than 40 years of devotion to the best interests of the Islands, the United States have special claims to be regarded as the friends and allies of the Hawaiian Kingdom. Napoleon has (according to the telegraph) agreed And this friendship, we apprehend, will be illustrated

Pope during his lifetime should remain Governor of The friends and well-wishers of the Islands await Rome. If this be true, it is the result of Victor Em- with impatience the action of Congress, and all sinmanuel's appeal to the European powers to be released cerely hope a measure so important and beneficial to both countries may meet with no opposition.

Sunday Picnies. Wm. Ingraham Kip, Protestant Episcopal Bishop of California, has been assailed by several newspapers, because he thought fit to publish a pastoral uprising seems to be general, and nothing can letter to the members of his church, advising them delay for any great length of time the purpose of concerning surrounding evils, and particularly warn- very nice California Hams, the Italian people to make Rome their Capital. ing them against Sunday picnics-a fung at a promi-By some compromise it may be done without nent banker here, who lives in fine style a few miles involving Italy and France in open war, but this out of town, whose custom is, to invite his friends to spend Sunday with him, ramble in the woods, form Molitterranean Figs. The news from England shows that the English pienie and riding parties, and so forth, -ignoring Government does not think that Fenianism is a mere entirely the religious service and meditation by so shadow of something very nearly intangible. There many considered essential to a proper observance of appears to be more apprehension of the appearance the Sabbath, but, in a free country like ours, so freof the spectre in England itself than in Ireland. We quently disregarded. Enjoying the right, or usurphear of it at Dover, at Manchester, at Berwick, at ing the privilege to criticise, some of the papers have Liverpool, at Chester, and we do not know how many commented pretty freely upon the Bishop's letter, other places in England. There is more field for it and, with questionable taste, exposed its faults and there, for the writ of habeas corpus has not been and shortcomings. The propensity to a desecration of the cannot be suppre-sed in that part of the United day is on the increase here, and there is no doubt the

The Palmer Arson Case. of a young and pretty woman, named Marie L. Palmer, charged with the heinous crime of arson. It appears, she was employed in a family as governess, MALAGA LAYER RAISINS, in he & qr A. J. POPE FROM NEW BEDFORD. the mistress became jealous, from some cause they quarrelled, one Sunday a severe passage at words occurred, and that same night the house took fire in nor kept in durance without trial. Her severity, several places. The theory of the defence was, that therefore, is reacting upon herself and in a man- the mistress on purpose to implicate the governess, set the house on fire, no damage being done.
